## **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Anthony Campbell on May 3, 2004.

The application has been amended as follows:

Claims 1-10 have been canceled to avoid the application of prior art.

## Reason for Allowance

2. The following is an examiner's statement of reasons for allowance: none of the prior art of record alone or in combination teaches the dispenser for bathtub faucet having a basket structure as claimed. Special attention is directed to the basket back wall having a faucet bore therethrough for allowing the bathtub faucet to pass from the outside of the basket to the inside of the basket and a bracket connected to the basket back wall and is connectable to the bathtub faucet for retaining the basket thereon.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
